Program: 10 P.M.

Date: 5/20/10

Description: A report that the Texas State Board of Education has started the process of deciding what to include in the new social studies curriculum for textbooks. Some parents urged the board to delay adopting the changes, arguing that some history is being overlooked and critics say that the conservative majority is trying to influence student's education.

Length: :37

Program: 4 P.M.

Date: 5/21/10

Description: A report that a record number of people signed up to testify on what they believe Texas children should be taught in text books. The state board of education is expected to vote at any time on social studies and history curriculum guidelines.

Length: :24

Program: 4 P.M.

Date: 5/21/10

Description: A report that economists say the job outlook is getting better for college graduates, except for law school degrees. Students say competition in their field is so tough that many are graduating into unemployment.

Length: 1:59

Program: 5 P.M.

Date: 5/24/10

Description: A report that Dallas Fire Rescue is visiting several schools in the DISD to train students in CPR. The goal is to have at least 5,000 students trained before the summer break begins.

Length: :21

Program: 6 P.M.

Date: 5/24/10

Description: A report that a former Collin County teacher Joseph Garbarini is behind bars charged with child indecency. He worked at Hunt Elementary for 5 years before he resigned last week.

Length: :16

Program: 5 P.M.

Date: 5/25/10

Description: A report that a Garland ISD teacher's aide, Dennis Connor, is behind bars tonight charged with sexually assaulting a child. Connor worked at Naaman Forest High School this year.

Length: :37

Program: 5 P.M.

Date: 5/25/10

Description: A report that Brook Mays Music honored HEB ISD for being one of the best communities for music education in America. The school district was one of 174 districts across the nation to receive the award.

Length: :19

Program: 5 P.M.

Date: 5/25/10

Description: A report that two sets of identical twins are graduating number one and number two in their classes from Bowie High School in Arlington and from Garland High School.

Length: 1:55

Program: 5 P.M.

Date: 5/25/10

Description: A report that second grade students in Burleson used Skype to call their pen pals in Africa that they'd been writing to all year.

Length: :29

Program: 6 P.M.

Date: 5/25/10

Description: A report that officials at Grapevine ISD have named Robin Ryan as the sole finalist for the district's superintendent position. Ryan is currently the chief academic officer for the Dallas ISD and previously served as principal at Colleyville Heritage High School.

Length: :12

Program: 5 P.M.

Date: 6/04/10

Description: A report that valedictorians from all over Dallas ISD were honored today by the Thanks-Giving Foundation for academic excellence and achievement.

Length: :14

Program: 6 P.M.

Date: 6/04/10

Description: A report that Dallas celebrated 15 years of charter schools today. The Texas legislature will take up some new proposals in January to expand charter schools across the state.

Length: :15

Program: 6 P.M.

Date: 6/04/10

Description: A report that two graduating seniors at Rowlett High School had perfect attendance for their entire school careers. The girls haven't missed a day out of the past 13 years of their lives.

Length: 1:42

Program: 6 P.M.

Date: 6/07/10

Description: A report that two graduating seniors at Rowlett High School had perfect attendance for their entire school careers. The girls haven't missed a day out of the past 13 years of their lives.

Length: :15

Program: 6 P.M.

Date: 6/07/10

Description: A report that the Burleson Fire Department hosted a junior fire academy for fourth graders today. Students received their own gear, toured the stations and learned the functions of all the equipment.

Length: :14

Program: 10 P.M.

Date: 6/07/10

Description: A report that the agency that runs the school buses in Dallas County is testing cameras that can record violations. Violators could face fines of \$300 dollars.

Length: :33

Program: 4 P.M.

Date: 6/08/10

Description: A report that the DISD is projecting a 23 million dollar surplus at the end of this year. Superintendent Michael Hinojosa says spending controls are responsible for the surplus.

Length: :12

Program: 5 P.M.

Date: 6/08/10

Description: A report that DISD saw continued improvement on it's TAKS scores for the fifth straight year in a row. They are also projecting a 23 million dollar budget surplus.

Length: :25

Program: 10 P.M.

Date: 6/09/10

Description: A report that Keller school officials will not be reprinting the report cards of students which mistakenly sent out the wrong second semester exam grade to save paper. The semester averages on the cards are correct.

Length: :20

Program: 5 P.M.

Date: 6/10/10

Description: A report that the Keller School District is trying to clear up a mistake involving a computer glitch that printed the wrong second semester exam grades on student's report cards from 3 different schools.

Length: :26

Program: 5 P.M.

Date: 6/10/10

Description: A report that Huyen Pham, a professor at the Texas Wesleyan School of Law has been offered a Flubright Scholar Grant to lecture at the University of Economics and law under the Vietnam National University System in Ho Chi Minh city.

Length: :20

Program: 6 P.M.

Date: 6/10/10

Description: A report that the University of North Texas Dallas is holding an open house this weekend in attempt to boost enrollment for its first ever freshman class.

Length: :14

Program: 6 P.M.

Date: 6/10/10

Description: A report that Paul Quinn College received a one million dollar gift from a local investor to help as it tries to move past financial problems and re-shaping its image.

Length: :18

Program: 4 P.M.

Date: 6/11/10

Description: A report that volunteers from Deloitte worked with middle school students during the company's 11<sup>th</sup> annual "Impact Day." They talked about college and potential careers with the students.

Length: :13

Program: 4 P.M.

Date: 6/11/10

Description: A report that the DISD named Paul Daves as its Counselor of the Year. Daves works at John Ireland Elementary School.

Length: :11

Program: 4 P.M

Date: 6/15/10

Description: A report that recent DISD graduates who have not applied for college yet could attend the free Major Mania event, which provided on-site assistance with admission and financial aid.

Length: :39

Program: 5 P.M

Date: 6/15/10

Description: A report that DISD's School for the Talented and Gifted is number one on Newsweek's list of America's best high schools. The school of science and engineering at Townview Center is fourth.

Length: :20

Program: 4 P.M

Date: 6/16/10

Description: A report that L.D. Bell High School and Trinity High School are receiving \$30,000 for global education programs. They'll use the donation to start programs on Chinese language and culture.

Length: :14

Program: 5 P.M.

Date: 6/30/10

Description: A report that attorney general Greg Abbott says school districts must set aside money for teacher pay raises. Many districts with money problems have been waiting on the decision before approving their budgets.

Length: :16

## **ENVIRONMENT**

Program: 5 P.M.

Date: 4/1/10

Description: A report that the government rebate program for energy efficient appliances has been moved to accommodate people traveling over the Easter holiday.

Length: :35

Program: 5 P.M.

Date: 4/2/10

Description: A report that recycling in Dallas is up by a third since switching to a once a week trash pick up.

Length: 1:21

Program: 5 P.M.

Date: 4/9/10

Description: A report that Irving is hosting its 40<sup>th</sup> annual Earth Day tomorrow.

Length: :20

Program: 10 P.M.

Date: 4/9/10

Description: A report that thousands of people are expected in Fort Worth tomorrow morning for the 25<sup>th</sup> annual Cowtown Great American Cleanup.

Length: :17

Program: 5 P.M.

Date: 4/14/10

Description: A report that thousands of wildflowers are popping up across the state. Officials at TX-DOT buys about 30,000 pounds of wildflower seeds every year, helping with the bumper crop of flowers.

Length: :15

Program: 5 P.M.

Date: 4/16/10

Description: A report that Plano is going green for its annual "Live Green Expo." There will be exhibits ranging from the art of composting to picking locally grown, organic produce.

Length: :20

Program: 10.M.

Date: 4/16/10

Description: A report that last month, Dallas City Council voted to allow natural gas powered taxis to jump to the front of the line for passengers. Opponents persuaded a federal court to block the new rules while a lawsuit is pending.

Length: :23

Program: 5 P.M.

Date: 4/20/10

Description: A report that in an effort to be green and buy local, co-op farming can actually be a cheaper way to feed your family.

Length: 2:35

Program: 5 P.M.

Date: 4/21/10

Description: A report that the city of Dallas is buried in mulch ground up from tons of tree limbs downed by the February snow storm. Free mulch is available to Dallas residents with a photo ID.

Length: :25

Program: 4 P.M.

Date: 4/22/10

Description: A report that looks at electric and hybrid cars available with this week being the 40<sup>th</sup> anniversary of Earth Day.

Length: 2:05

Program: 4 P.M.

Date: 4/23/10

Description: A report that asks not to throw away plastic water bottles, but to recycle them and they could end up on your dinner table.

Length: 2:30

Program: 5 P.M.

Date: 4/26/10

Description: A report that Golden Algae is infesting Possom Kingdom Lake and Lake Whitney and killing at least 120,000 fish.

Length: :30

Program: 5 P.M.

Date: 4/26/10

Description: A report that crews are scrambling to stop the flow of a major oil leak caused by that oil rig explosion last week in the Gulf of Mexico. Fears are rising that the oil could reach the coastlines of Louisiana, Mississippi, Alabama and Florida within a few days.

Length: 1:55

Program: 4 P.M.

Date: 4/28/10

Description: A report that the new report from the American Lung Association shows cities in the Midwest and on the east coast have seen the biggest improvements in pollution caused by smog and soot. However, one in ten Americans live in cities where pollution levels are too high all year long.

Length: :28

Program: 5 P.M.

Date: 4/28/10

Description: A report that Texas state crews are bringing in equipment to help corral the large spill and possibly set it on fire. The slick is now less than 20 miles from the mouth of the Mississippi River.

Length: :36

Program: 5 P.M.

Date: 4/28/10

Description: A report that the EPA recognized DFW International Airport for reducing its carbon footprint by purchasing power from green renewable resources like wind, solar, and bio-gas.

Length: :19

Program: 5 P.M.

Date: 4/30/10

Description: A report that the seafood industry on the Gulf Coast is keeping an eye on the oil cleanup efforts. 80% of all seafood Americans eat is imported. So, far, the seafood from the gulf is still safe.

Length: :35

Program: 4 P.M.

Date: 5/11/10

Description: A report that Texas' Oil Spill Prevention and Response Program is warning some of the oil hit the Texas coast in the form of "tar-balls" within the next 2-3 weeks.

Length: 1:25

Program: 4 P.M.

Date: 5/11/10

Description: A report that GE revealed a new LED light bulb, and now Home Depot will start selling their own as well. LED bulbs use less energy and don't need to warm up like fluorescent bulbs.

Length: :22

Program: 4 P.M.

Date: 5/11/10

Description: A report that looks at the levels of mercury in sushi.

Length: 2:47

Program: 4 P.M.

Date: 5/12/10

Description: A report that cast members from "Little House on the Prairie, The Musical," participated in a Habitat for Humanity building event.

Length: :17

Program: 5 P.M.

Date: 5/14/10

Description: A report that BP is moving forward with two separate attempts to control the massive oil spill in the Gulf of Mexico.

Length: :37

Program: 4 P.M.

Date: 5/18/10

Description: A report that oil from spill may move through the Florida Keys and up the East Coast.

Length: :35

Program: 4 P.M.

Date: 5/19/10

Description: A report that actions are being taken to disperse the oil from the spill location, but it could still devastate the marine environment in the area, especially the animals that depend on the coral.

Length: 2:00

Program: 4 P.M.

Date: 5/19/10

Description: A report that Americans are purchasing small cars again due to their fuel efficiency, smooth engines and interior space.

Length: :22

Program: 5 P.M.

Date: 5/19/10

Description: A report that the thousands of barrels of oil pouring into the gulf could drift towards Florida and then spread over into the Atlantic Ocean.

Length: :17

Program: 10 P.M.

Date: 5/19/10

Description: A report that the oil from the Gulf spill is very diluted and could evaporate before reaching Florida.

Length: :28

Program: 5 P.M.

Date: 5/19/10

Description: A report that going green with Oncor's solar paneling is harder and more costly than one North Texas homeowner expected.

Length: 1:45

Program: 6 P.M.

Date: 5/20/10

Description: A report that Oncor's new digital meters read solar energy but many retail electric providers do not.

Length: 1:27

Program: 10 P.M.

Date: 5/20/10

Description: A report that the government is telling BP to find a less toxic way to break up oil in the water. They are concerned about long-term effects.

Length: :32

Program:4 P.M.

Date: 5/21/10

Description: A report that an area along the Gulf Coast has closed its beaches because of oil. On Sunday engineers plan to try their “top kill” method, which would pump mud into the leak to jam it, then seal it with concrete.

Length: :28

Program:4 P.M.

Date: 5/21/10

Description: A report that Dallas officials are fighting to save trees along the Trinity River. Some federal flood control experts suggest removing all trees between the downtown levees.

Length: 1:24

Program:5 P.M.

Date: 5/24/10

Description: A report that 3 people are recovering from a chemical oil spill at the Dannon yogurt plant in Fort Worth. 3 other workers complained of respiratory problems from what police say was a leaked cleaning solvent.

Length: :16

Program: 5 P.M.

Date: 5/24/10

Description: A report that the oil crisis in the Gulf of Mexico has hit day 34. Washington is applying more pressure as BP prepares to try and stop the leak with the “top kill” method.

Length: 2:08

Program: 5 P.M.

Date: 5/24/10

Description: A report that Oak Wilt, a deadly tree disease, has been spotted on Live Oaks and Red Oaks all over North Texas. If left untreated, the disease can kill the trees in just weeks.

Length: :15

Program: 5 P.M.

Date: 5/25/10

Description: A report that Dallas neighbors claim that reckless workers ruined a nature area by the new ball fields being built on Winfrey Point at White Rock Lake.

Length: 1:25

Program: 5 P.M.

Date: 5/25/10

Description: A report that Knob Hills trail on the west end of Grapevine Lake has been designated as a national recreational trail. It is one of only two sites in Texas to receive the honor which recognizes trails and systems that link communities to recreational opportunities on public lands and in local parks.

Length: :23

Program: 5 P.M.

Date: 6/04/10

Description: A report that President Obama returned to the Gulf Coast for the second time since oil began pouring into the ocean.

Length: 1:53

Program: 6 P.M.

Date: 6/07/10

Description: A report that 3 workers were killed and at least 6 injured after a construction crew accidentally hit a natural gas pipeline that caused a huge explosion and fireball in Hood County this afternoon.

Length: 3:23

Program: 6 P.M.

Date: 6/07/10

Description: A report that a static spark is likely to blame for causing a chemical plant in Irving to catch fire. The fire was contained to the roof and everyone escaped unharmed.

Length: :44

Program: 10 P.M.

Date: 6/07/10

Description: A report that three women and two children were injured and taken to Parkland Hospital this afternoon after a natural gas leak caused an explosion at El Taco Riendo restaurant in Gainesville.

Length: :13

Program: 10 P.M.

Date: 6/07/10

Description: A report that council members in Flower Mound expanded the moratorium on new permits for gas pipelines and collection facilities as well as halted the drilling of any new wells due to the natural gas explosion in Johnson County today.

Length: 1:48

Program: 10 P.M.

Date: 6/07/10

Description: A report that tomorrow marks 50 days since the deepwater horizon rig exploded, sending oil gushing into the gulf. BP said it plans to put a new, better-fitting cap on the well sometime next month.

Length: :46

Program: 4 P.M.

Date: 6/08/10

Description: A report that only one of the seven workers injured during a gas line explosion yesterday remains in the hospital. One man was killed.

Length: 1:28

Program: 4 P.M.

Date: 6/08/10

Description: A report that it is day 50 of the disaster in the Gulf of Mexico and hundreds of thousands of gallons of oil continue to pour from the deepwater well.

Length: :25

Program: 6 P.M.

Date: 6/08/10

Description: A report that the massive gas line explosion in Johnson County that killed one person and injured seven others is now under investigation.

Length: 1:34

Program: 10 P.M.

Date: 6/08/10

Description: A report that another natural gas pipeline exploded in the Texas panhandle this afternoon killing two people.

Length: :18

Program: 10 P.M.

Date: 6/08/10

Description: A report that BP told the associated press that the flow of oil leaking into the gulf should decrease to a "relative trickle" by Monday or Tuesday of next week. The company claims a new containment cap will create a better seal and reduce leakage.

Length: :28

Program: 4 P.M.

Date: 6/09/10

Description: A report that state agencies prepared for hurricane season by participating in a response drill today. The live exercise is meant to test emergency mobilization, response and preparedness for real natural disasters.

Length: :29

Program: 5 P.M.

Date: 6/09/10

Description: A report that Dallas city leaders are planning to sell rare Texas water front land at Robertson Park on Lake Ray Hubbard to private developers.

Length: 1:54

Program: 5 P.M.

Date: 6/09/10

Description: A report that BP executives are easing off claims that the oil spill could soon be reduced to a trickle. They now say they hope to be capturing a “majority” by next week.  
Length: :45

Program: 5 P.M.

Date: 6/09/10

Description: A report that divers off the coast of Louisiana wonder if the fish swimming in the underwater oil will be able to survive it and said in some places the oil was so thick it almost blocked out the light.  
Length: :30

Program: 6 P.M.

Date: 6/09/10

Description: A report that an alligator was spotted in a private pond in Southern Dallas County.  
Length: :15

Program: 6 P.M.

Date: 6/09/10

Description: A report that the Texas Department of Public Safety and several other agencies participated in a drill to prepare for hurricane season.  
Length: :45

Program: 10 P.M.

Date: 6/09/10

Description: A report that BP’s new plans to stem the oil spill in the gulf include a new, tighter-fitting cap on the top of the well and a better system of pumping oil into containment ships on the surface.  
Length: 1:05

Program: 4 P.M.

Date: 6/10/10

Description: A report that a marine research facility will examine what killed a 25-foot whale, thought to be a baby humpback, that washed ashore in New York.  
Length: :24

Program: 5 P.M.

Date: 6/10/10

Description: A report that BP is promising to speed up payments to people who have been affected by the oil spill in the Gulf while the families of the 11 men who died in the explosion met with the president at the White House.  
Length: 2:25

Program: 6 P.M.

Date: 6/10/10

Description: A report that an Oncor customer was dissatisfied after the company trimmed his trees because they were too close to power poles.

Length: :38

Program: 4 P.M.

Date: 6/11/10

Description: A report that the impact of the oil spill on coastal birds puts them at risk whether they are covered in oil are taken to be cleaned.

Length: :45

Program: 6 P.M.

Date: 6/11/10

Description: A report that experts from NASA are forecasting the possibility of an increasing number of disturbances on the sun. Solar storms could lead to disturbances we've never seen before on Earth because of greater dependences on wireless devices.

Length: 2:42

Program: 5 P.M.

Date: 6/14/10

Description: A report that Oncor wants the public's input on a project aimed at bringing more wind power to North Texas while easing congestion on the electrical grid.

Length: :24

Program: 4 P.M

Date: 6/15/10

Description: A report that a sinkhole that began to form this morning in the intersection of Fort Worth Highway and Santa Fe Drive continued to grow throughout the day. The sinkhole is approximately 10ft x 30ft. Several roads are now closed while crews work to fix the problem and police don't know how long it will be until those roads reopen.

Length: :22

Program: 4 P.M

Date: 6/15/10

Description: A report that a stretch of the US-Mexico border is being rocked by hundreds of aftershocks following last night's 5.7-magnitude earthquake. The quake was centered about 85 miles east of San Diego and so far there have been no reports of injuries or serious damage.

Length: :24

Program: 4 P.M

Date: 6/15/10

Description: A report that lightning destroyed an Ohio landmark. A 62ft tall statue of Jesus at the Solid Rock Church near Cincinnati was struck by lightning Monday night.

Length: :19

Program: 6 P.M

Date: 6/18/10

Description: A report that more North Texas oil change shops are using recycled motor oil. The process is cleaner and uses up to 85% less energy than refining crude oil.

Length: :33

Program: 4 P.M.

Date: 6/25/10

Description: A report that web worms are making their presence known in trees all across North Texas.

Length: 1:25

Program: 4 P.M.

Date: 6/28/10

Description: A report that with Tropical Storm Alex expected to make landfall overnight Thursday, local preparations are already underway to support the relief effort.

Length: 1:23

Program: 10 P.M.

Date: 6/28/10

Description: A report that Hurricane Alex is not heading for the site of the Gulf oil spill but it could still cause problems for the clean-up.

Length: :31

Program: 5 P.M.

Date: 6/29/10

Description: A report that Tropical Storm Alex is expected to become a category two hurricane by the time it makes landfall and voluntary evacuations have already been ordered in some areas along the Texas coast.

Length: 2:25

## **FAMILY**

Program: 4 P.M.

Date: 4/1/10

Description: A report that the government is making a big push today to remind everyone to be counted in the 2010 census.

Length: 2:10

Program: 5 P.M.

Date: 4/5/10

Description: A report that President Obama's new "Home Affordable Foreclosure Alternatives" program will help many people facing foreclosure. It will pay \$1,500 to banks and \$3,000 if they agree to let someone else buy the house for less than the mortgage value.

Length: :35

Program: 5 P.M.

Date: 4/20/10

Description: A report that in an effort to be green and buy local, co-op farming can actually be a cheaper way to feed your family.

Length: 2:35

Program: 10 P.M.

Date: 5/4/10

Description: A report that the FDA states the company that made several children's medicines received dozens of complaints about black particles in the medicines, but failed to properly investigate and correct the problem. The full recall list includes more than 50 infant and children's products.

Length: :27

Program: 10 P.M.

Date: 5/4/10

Description: A report that research from the CDC finds that 30% of parents are delaying vaccines for their children. Another 10 % are skipping the shots altogether. Researchers say many parents are worried about autism, but studies have shown there is no link.

Length: :18

Program: 4 P.M.

Date: 5/10/10

Description: A report that a new photography exhibit recently opened in San Francisco that features veterans from the wars in Iraq and Afghanistan. It's also a story of the war at home.

Length: 1:59

Program: 6 P.M.

Date: 5/12/10

Description: A report that Texas has enrolled more than a million participants in one year into the WIC program. Texas receives 608-million dollars in WIC benefits that help keep low income families healthy.

Length: :17

Program: 5 P.M.

Date: 5/13/10

Description: A report that police will begin to enforce the next phase of the new law on June 1<sup>st</sup> that requires all children younger than 8 to be in the appropriate safety seat.

Length: :25

Program: 6 P.M.

Date: 5/13/10

Description: A report that Arlington police will be stepping up enforcement of new seat belt laws. Adults in the back are now required to buckle up, and children under 8 must ride in a child's safety or booster seat.

Length: :30

Program: 6 P.M.

Date: 5/14/10

Description: A report that The Family Place in Dallas expanded its facility to shelter more victims of family violence.

Length: :33

Program: 6 P.M.

Date: 5/24/10

Description: A report that Steve Sherman with Welton USA in Coppell is offering North Texas families a living room, dining room and bedroom set at no cost after fire ripped through their Waxahachie apartment complex over the weekend.

Length: :18

Program: 5 P.M.

Date: 5/25/10

Description: A report that Brook Mays Music honored HEB ISD for being one of the best communities for music education in America. The school district was one of 174 districts across the nation to receive the award.

Length: :19

Program: 4 P.M.

Date: 6/08/10

Description: A report that a North Texas family is mourning the loss of their son tonight, Marine Sergeant Brandon Bury. He was killed during combat in Afghanistan on June 6<sup>th</sup>. His wife and kids live in San Diego.

Length: :20

Program: 4 P.M.

Date: 6/25/10

Description: A report that Sunday is National HIV Testing Day. In observance, Resource Center Dallas is sponsoring a 12-hour, free walk in testing event at the Nelson-Tebedo Health Center. Health experts say on average one person is infected with HIV in Dallas County every nine hours.

Length: :20

Program: 4 P.M.

Date: 6/25/10

Description: A report that today is Bank Day at Medical City Children's Hospital. They are tallying up collections for the annual employee driven fundraiser campaign. This year's proceeds are going to Richardson based Heroes for Children, a non-profit organization that provides financial and social assistance to families with children battling cancer.

Length: :22

Program: 4 P.M.

Date: 6/25/10

Description: A report that new research finds having diabetes doubles the risk for heart attack and stroke.

Length: :25

Program: 4 P.M.

Date: 6/25/10

Description: A report that encourages people to help other North Texans with a weekend food drive.

Length: 1:31

## **GOVERNMENT**

Program: 5 P.M.

Date: 4/1/10

Description: A report that Dallas watering restrictions went into effect today banning watering landscapes between the hours of 10 in the morning and 6 in the evening from now through the end of October.

Length: :26

Program: 5 P.M.

Date: 4/1/10

Description: A report that the government rebate program for energy efficient appliances has been moved to accommodate people traveling over the Easter holiday.

Length: :35

Program: 5 P.M.

Date: 4/5/10

Description: A report that President Obama's new "Home Affordable Foreclosure Alternatives" program will help many people facing foreclosure. It will pay \$1,500 to banks and \$3,000 if they agree to let someone else buy the house for less than the mortgage value.

Program: 10 P.M.

Date: 5/4/10

Description: A report that research from the CDC finds that 30% of parents are delaying vaccines for their children. Another 10 % are skipping the shots altogether. Researchers say many parents are worried about autism, but studies have shown there is no link.

Length: :18

Program: 4 P.M.

Date: 5/5/10

Description: A report that doctors in Greece looked at 49 young teen girls. Half were elite rhythmic gymnasts who'd trained for at least two years, and the others exercised in P.E. classes. There was a marked difference in the bone health between the two groups, with the gymnasts having much stronger and thicker bones.

Length: :25

Program: 4 P.M.

Date: 5/11/10

Description: A report that a large study from Europe finds working 10 hours or more in a day can increase the risk for heart-related problems, like heart attacks and chest pain, by 60%.

Length: :25

Program: 4 P.M.

Date: 5/11/10

Description: A report that looks at the levels of mercury in sushi.

Length: 2:47

Program: 4 P.M.

Date: 5/12/10

Description: A report that thousands of Walgreens stores will begin selling kits Friday that can tell you if you are at risk for all sorts of diseases.

Length: 1:50

Program: 6 P.M.

Date: 5/12/10

Description: A report that Texas has enrolled more than a million participants in one year into the WIC program. Texas receives 608-million dollars in WIC benefits that help keep low-income families healthy.

Length: :17

Program: 6 P.M.

Date: 5/13/10

Description: A report that Dallas is fighting to get traffic signal sensors to turn red lights green for emergency vehicles, when other big cities already have them.

Length: 2:02

Program: 6 P.M.

Date: 5/13/10

Description: A report that a North Texas police department wants to add about 300 more tasers to its arsenal.

Length: 1:30

Program: 5 P.M.

Date: 5/17/10

Description: A report that cell phone use does not increase the risk of brain tumors, according to a study by the World Health Organization.

Length: :30

Program: 5 P.M.

Date: 5/17/10

Description: A report that Arlington ranks highest on the list of the country's fattest cities.  
Length: :20

Program: 5 P.M.

Date: 5/17/10

Description: A report that Nintendo Wii is pairing with the American Heart Association to encourage children to get active.

Length: :26

Program: 6 P.M.

Date: 5/17/10

Description: A report that Arlington residents are trying to erase the stigma that they are the most obese city.

Length: :35

Program: 4 P.M.

Date: 5/18/10

Description: A report that an outbreak of the whooping cough has hit Tarrant County.

Length: : 31

Program: 4 P.M.

Date: 5/18/10

Description: A report that eating processed meat could increase your risk of heart disease by 40 percent and diabetes by 20 percent.

Length: :27

Program: 4 P.M.

Date: 5/18/10

Description: A report that men can suffer from postpartum depression.

Length: 1:45

Program: 5 P.M.

Date: 5/18/10

Description: A report that a simple screening on a baby's heart can recognize a defect and ultimately save his or her life.

Length: :21

Program: 4 P.M.

Date: 5/19/10

Description: A report that the toxic chemical BPA could be found in canned foods.

Length: :21

Program: 4 P.M.

Date: 5/19/10

Description: A report that a new study suggests there is no link between diet and behavior in autistic children.

Length: :23

Program: 4 P.M.

Date: 5/19/10

Description: A report that moderate drinkers may be healthier than those who never drink at all.

Length: :21

Program: 4 P.M.

Date: 5/19/10

Description: A report that people who consumed more calories and higher-fat meals had more cases of airway inflammation, which can trigger asthma attacks.

Length: :20

Program: 5 P.M.

Date: 5/19/10

Description: A report that people can fight hunger, drug or alcohol addiction or depression by training their brain.

Length: :11

Program: 10 P.M.

Date: 5/20/10

Description: A report that snacking is one of the new hot trends in fast food, so more restaurants are adding smaller items to attract people during off-peak hours.

Length: 1:56

Program:4 P.M.

Date: 5/21/10

Description: A report that the National Restaurant Association and United Health Care are working on a deal that would give affordable coverage to restaurant workers. This new idea could help millions of Americans afford healthcare.

Length: 1:25

Program: 4 P.M.

Date: 5/21/10

Description: A report that fewer people are dying in the hospital after suffering a heart attack. There was a 37 percent drop in post-heart attack hospital deaths between 2000 and 2007.

Length: :29

Program: 4 P.M.

Date: 5/21/10

Description: A report that workplace wellness programs can help lower employee medical costs and improve health.

Length: :25

Program: 4 P.M.

Date: 5/21/10

Description: A report that discusses gluten free products appearing in grocery stores and what they mean for your health.

Length: 2:24

Program: 4 P.M.

Date: 5/21/10

Description: A report that ancient martial art Tai Chi may help reduce stress and depression.

Length: :25

Program: 4 P.M.

Date: 5/21/10

Description: A report that Viagra and other drugs like it may be bad for men's hearing. Men who take those types of drugs and are over 40 were twice as likely to report hearing problems.

Length: :30

Program: 5 P.M.

Date: 5/24/10

Description: A report that 3 people are recovering from a chemical oil spill at the Dannon yogurt plant in Fort Worth. 3 other workers complained of respiratory problems from what police say was a leaked cleaning solvent.

Length: :16

Program: 5 P.M.

Date: 5/24/10

Description: A report that Dallas Fire Rescue is visiting several schools in the DISD to train students in CPR. The goal is to have at least 5,000 students trained before the summer break begins.

Length: :21

Program: 5 P.M.

Date: 5/24/10

Description: A report that construction is underway on a handicap-accessible home for Jared Williams, a paralyzed football player at L.G. Pinkston High School. An organization called Project 24 was formed to help build Williams and his family a home to accommodate his special needs.

Length: :18

Program: 5 P.M.

Date: 5/24/10

Description: A report that fewer than 10 percent out of 500 beach and sport sunscreens actually protected people from the sun's harmful rays. Researchers say the increase in high SPF sunscreens cause users not to re-apply as often as they should.

Length: :32

Program: 5 P.M.

Date: 5/24/10

Description: A report that if you toss and turn at night, simple changes can be made to get through the night easier and feel more rested in the morning.

Length: 2:09

Program: 6 P.M.

Date: 5/24/10

Description: A report that if your family and friends could see your daily diet, you'd be more likely to make healthier choices. "Tweeting what you eat" is the new internet diet plan.

Length: 1:34

Program: 10 P.M.

Date: 5/24/10

Description: A report that teen girls who got the vaccine to protect them from cervical cancer now blame it for making them sick.

Length: 4:22

Program: 10 P.M.

Date: 5/24/10

Description: A report that Fresh Express is recalling some bagged salad over salmonella concerns.

Length: :17

Program: 5 P.M.

Date: 5/25/10

Description: A report that Dallas County Health and Human Services is urging parents to get their children immunized now for the next school year. There is always a last minute rush in August as people try to get shots before the start of school.

Length: :16

Program: 5 P.M.

Date: 5/25/10

Description: A report that the CDC and makers of the Gardasil vaccine Merck both say the vaccine is safe regardless of reports from two local families that say the drug made their teenage daughters sick.

Length: :38

Program: 5 P.M.

Date: 5/25/10

Description: A report that high blood pressure is a major risk factor for developing heart disease, stroke and other health concerns

Length: :31

Program: 5 P.M.

Date: 6/04/10

Description: A report that McDonald's is recalling 12 million Shrek themed drinking glasses because they contain cadmium. Cadmium has been linked to certain cancers and can also cause bone softening and severe kidney problems.

Length: :22

Program: 5 P.M.

Date: 6/04/10

Description: A report that researchers in Oregon are testing a vaccine that could protect against lung cancer.

Length: 1:50

Program: 6 P.M.

Date: 6/04/10

Description: A report that emergency crew and health agencies are taking the forecast for extreme heat seriously. Temperatures are expected to rise into the triple digits this weekend. Heat is the number one weather related killer.

Length: 2:15

Program: 6 P.M.

Date: 6/04/10

Description: A report that a Dallas Kroger hosted a scavenger hunt this morning called "Produce for Kids." The competition is designed to educate children on the importance of eating fresh fruits and veggies.

Length: :25

Program: 10 P.M.

Date: 6/07/10

Description: A report that a Denton County deputy helped deliver a baby during a traffic stop for speeding.

Length: 1:40

Program: 10 P.M.

Date: 6/07/10

Description: A report that Children's Medical Center in Dallas received a truckload of Legos this afternoon. The Legos were collected by a group of 12-year-old boys in memory of Sasha, a young patient who passed away last August.

Length: :20

Program: 4 P.M.

Date: 6/08/10

Description: A report that women who have cancerous breast tumors removed may be able to avoid additional surgery and radiation due to two new studies released by the American Society of Clinical Oncology.

Length: :25

Program: 4 P.M.

Date: 6/08/10

Description: A report that 1 in 5 Americans is not getting enough sleep, according to Stanford University. The survey found that 20% of adults reported moderate sleepiness while 11% reported extreme sleepiness.

Length: :20

Program: 4 P.M.

Date: 6/08/10

Description: A report that the FDA needs to up its standards on beef, its technology and its business model in order to fight food borne illnesses before they occur.

Length: 2:03

Program: 5 P.M.

Date: 6/08/10

Description: A report that Baylor Health Care Systems and the City of Dallas have joined to create the new Diabetes Health and Wellness Institute on Spring Avenue. City and health officials say the center could be a model for fighting diabetes across the country.

Length: 1:55
